RE: CONFIDENTIALITY REQUEST FOR SwypCard, Model # 5EX and FCC ID#: 2AIUI-160620

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that following documents required to be submitted with this application be permanently withheld from public review:

1. Block Diagram
2. Schematic
3. PCB Layout
4. Technical Description
5. Bill of Material
6. SwypCard Model 5EX Internal Photos.

The documents are company proprietary information and we would like them to not get into the possession our competitors.

The user does not have access to the internal of the device. The circuit board shown in the internal picture is encapsulated in epoxy and following encapsulation, top metallic plate is thermally bonded to the epoxy.

Please note that Users Manual and External Photos are not part of this request for Long term Confidentiality request.

Please contact me if there is any information you may need.

Sincerely,

Sumukh N. Pathare
Lead Hardware Engineer
